September, 2001

## Europe - Will you be there? IWM will be at Productronica

**VENUE:** The *Messe Halle*, Munich, Germany

**DATE:** November 6th - 9th, 2001, 9 a.m. to 6 p.m. each day.

**ON SHOW:** On show we will be featuring a range of low-cost single and multi spindle bench top bobbin and toroidal winding machines from Wey Hwang including their latest developments in pneumatic tail stock, along with video presentations of fully automatic multispindle automated systems and bobbinless RFID coil manufacture from the G S Automation range.

**WHERE:** **Hall B4, Stand 517**

### How to find hall B4

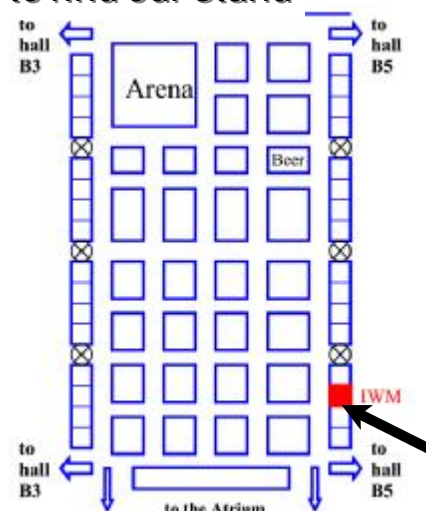

### New name for G-Services S.A.

This Swiss firm are already well known for their coil winding machines, aimed particularly at meeting high-output and technically challenging needs. Their range of solutions has widened to include high-automation products with minimal operator interaction, and to reflect this added capability they have changed their name to

### G S Automation S.A.

Their address and personnel remain unchanged, and IWM will keep you informed of G S Automation's new machines as they become available.

### How to find our stand

See our website for more details.....

### Andrew Keir Joins IWM

Following a very successful launch into the European market, IWM has increased its wealth of knowledge and support capabilities and services offered.

Andrew Keir has now joined IWM full time offering technical and engineering assistance to Roland and Chris. Andrew has worked in teaching, and with Grampian Fire Brigade and the R.A.F. He is married with three daughters.

## Please Turn Over, Double Packed Issue

Registered in England No 00942059 V.A.T. No. 285 292 922  
Directors: R.F.B. West (Managing), P.R.Grainger, M.G.B. West, A. Keir

## IWM – Just ASK !

If you have any questions about the services we offer, the equipment available or just want a chat, then give us a call We will be happy to help:-

- ü Absolute minimum lead times for machine delivery.  
**-to get production started-**
- ü increased spares stock ensures we have the parts.  
**-to keep you up and running-**
- ü For those of you who get the opportunity to visit us, we have a wide range of equipment in our demonstration room so that you can see them in one place.  
**-to save you time-**

## How to reach us

### Winding Details:

Core type	Toroidal •		Air Coil •		Bobbin •
Outer diameter:	_____	mm	Outer diameter:	_____	mm
Inner diameter:	_____	mm	Inner diameter:	_____	mm
Height:	_____	mm	Spread width:	_____	mm
Max wire gauge:	_____	mm	Max wire gauge:	_____	mm
Min wire gauge:	_____	mm	Min wire gauge:	_____	mm
Number of turns:	_____		Number of turns:	_____	

I would like further information • demonstration • on the following machine(s):

### Toroidal winders:

WH300 • WH900A • WH900 •  
WH100 • WH600A • WH600 •

### Shuttles:

Geared • Friction •  
Belt • Side Slider •

**Machinery finance options** •

### Bobbin winders (Heavy wire):

WH800 • WH800(I) • WH751 • WH752 •

### Bobbin winders (High speed):

WH764 • WH763 • WH762 • WH761 •

### G S Automation :

Automation in winding & manufacturing processes •  
Chip wound inductors • Air coil • Multi spindle • RFID •

## Need a sample?

IWM offer an excellent core sampling service. From the bare core specification, we select the best equipment to use, wind some samples and return them to you together with example production times, quotation etc. We can then demonstrate the machine to get your production started at your premises at your convenience.

**All this is available to you absolutely free**
