June, 1999

Issue 3 of IWM's up to the minute product news features the CCW model 990. This machine is the most accurate, fast and efficient toroid winder money can buy. Read on to find out

CCW Model 990 Toroid Winder

- ü **Optimum PRODUCTIVITY**
Process automation allows a single operator to run two machines
- ü **Precise REPEATABILITY**
Programmed for exact, repeatable set-ups, giving improved quality control
- ü **Modular VERSATILITY**
Supported by a wide range of accessories making the machine adaptable to almost any winding task
- ü **Improved RELIABILITY**
Fewer moving parts and the elimination of clutches and gears give high levels of reliable production
- ü **Complete ACCURACY**
A fibre Optical wire sensor achieves 100% turns count accuracy reducing testing and wastage
- ü **Operating SIMPLICITY**
Single button operation makes operator training easy
- ü **Assured QUALITY**
Precision control for increased productivity and high quality at fast winding

Email: twise@globalnet.co.uk

Web: <http://business.virgin.net/iwm.ltd/>

Alternatively return the fax back form on the reverse side of this page; simply complete your details where known.

You *can* afford that new machine

New finance options.....

- ü Interest rates have been cut to the lowest for over 21 years. There has never been a better time to replace ageing equipment.
- ü Spreads out the cost of purchase.
- ü You get the machine when you need it-now.

IWM have extended their range of services; obtaining a consumer credit licence allows us to offer finance on our equipment at competitive rates through various Hire Purchase and Leasing packages.

You will be surprised at how affordable our machines

Call us for a quotation

Need a sample?

IWM offer an efficient core sampling service. From the bare core specification, we select best equipment to use, wind some samples and return the wound samples to you together with example production times, quotation etc. we can then demonstrate the machine to get your production started at your premises.

All this is available to you absolutely free
